

PASSPORT ISSUE/RE-ISSUE

In compliance with the regulations of the International Civil Aviation Organisation (ICAO), only machine-readable printed passports are now to be accepted for international travel.

Indian Passports are issued with a validity of 10 years (except in the case of children of age less than 18 years where it is issued for a validity of 5 years). Their re-issue thereafter involves the issuance of a new passport. Wherever any change is required in personal particulars pages of the passport, a new passport needs to be obtained as the practice of handwritten endorsements in the existing passport no longer exists.
